Information:

Membership Categories

1. Individual Membership

Individual Membership is open to a wide range of professionals professionally engaged in the conservation of monuments, groups of buildings and sites as defined in the ICOMOS Statutes.

These include:

Members of the scientific, technical or administrative staff or a decision-maker of a national, regional or local monuments agency, fine arts or antiquities service.

Specialists with a minimum of 5 years experience, currently engaged in the conservation, restoration, rehabilitation and enhancement of monuments, groups of buildings and sites, including, (but not limited to):

- conservation architects / architectural conservators
- landscape architects
- historians
- heritage property managers
- building archaeologists
- archaeologists
- heritage administrators
- heritage building surveyors
- ethnologists
- town planners
- archivists

2. Young Professional - Individual Membership

Young Professional membership is a sub-category of Individual membership and subject to the same membership criteria as Individual membership.

Young Professionals, under the age of 30, or within the first 5 years of their professional career in conservation pay 50% of the regular dues.

3. Institutional Membership

Institutional membership is available to any institution involved with the conservation and protection, of historical monuments, groups of buildings and sites; institutions which own or manage historical monuments, groups of buildings and sites and institutions which devote all or part of their activity to one or more of the objectives listed above.

4. Associate or Student membership

Associate or Student membership is available to individuals and students are intending to be involved in conservation and/or who wish to support ICOMOS and receive the newsletter, while not taking part in the professional activities of the organisation. Associate and Student members are non-voting members of ICOMOS New Zealand.

5. Sustaining Membership

Sustaining Membership is available to people wishing to support the aims and activities of ICOMOS or to contribute to international co-operation in the field of the conservation of the cultural heritage.
