Call for papers

We welcome you to the second joint conference held by Historic Places Aotearoa and ICOMOS NZ, following the inaugural joint conference in Gisborne in 2019.

The theme for this year's conference is taken from the planned ICOMOS General Assembly. The GA was due to be held in Sydney in October 2020, but Covid19 has seen its postponement till 2023.

Historic Places Aotearoa and ICOMOS New Zealand will continue to explore this changing and challenging theme in the context of New Zealand's shared cultures.

This is a call for papers for our conference.

Papers on the theme of Shared Cultures – Shared Heritage – Shared Responsibility are welcomed.
