

ICOMOS New Zealand Consultants Directory

The Individual Members of ICOMOS NZ listed below provide professional services relating to the conservation and protection of cultural heritage places.

ICOMOS New Zealand makes no representation, recommendation or warranty regarding the standard or level of competence or suitability to provide services, of the Individual Members listed in the Directory, the information in the Directory or the information, advice, guidance or services provided by any member listed in the Directory.

Membership of ICOMOS New Zealand does not involve registration of professional members and ICOMOS New Zealand does not oversee professional standards for cultural heritage conservation work. Members must however abide by the *ICOMOS New Zealand Code of Ethics and Standards of Practice* the *ICOMOS New Zealand Charter 2010* and the *ICOMOS Ethical Principles*, as required by the Rules of ICOMOS NZ. These documents are available at www.icomos.org.nz
